WELCOME TO NEW NEIGHBORS-a great big welcome to all the new neighbors moving into the neighborhood. We are so glad too see that you are improving your property and in so doing making the neighborhood a better place to live. You are a member of the Association and we hope that you will get involved and help us improve our area.

ELECTION OF NEW OFFICERS-election of new officers will take place during the May meeting. If you are interested in becoming an officer please plan to attend.

Remember to keep the grass and weeds down to eliminate the danger of fires. The danger of fires is great and it would only take a little while for the neighborhood to go up in flames. Please be aware and do all that is possible to prevent anything like this from happening.
